

## FINANCIAL POLICY

### INSURANCE

We provide services for our patients with the understanding that they are responsible for payments in accordance with our financial policy. We will prepare and submit forms and reports to assist you in obtaining maximum benefits available. However, the dentist's treatment recommendation or fees are not affected by the presence or absence of insurance benefits. *Treatment recommendations are based on your dental needs and desires and not a reflection of your dental benefits.* Your dental benefits are a contract between you, your employer, and the insurance company.

### PAYMENTS

In the event that your balance becomes more than 60 days overdue, billing may be turned over to an outside collection agency. The responsible party below agrees to pay interest and collection amount.
